Re: Ordinance 93-13 - Economic Development Agreement with Management and Network Services, LLC

Background

Staff has been in discussions with Management and Network Services, LLC (MNS) regarding an expansion project. The company, currently located at 4892 Blazer Parkway, plans to expand its operations within Central Ohio in early 2014. Management and Network Services plans to retain 120 jobs and create an additional 164 jobs by the end of 2020. The company's significant growth projection has made it necessary to move, as their current space cannot accommodate additional employees. It plans to lease office space in Dublin (address TBD) by the end of 2013.

MNS is an independent provider of ancillary services for long-term and acute-care facilities. The company works directly with insurance providers to manage individual care needs. Its operations are comprised primarily of healthcare and health insurance expert professionals.

The Economic Development Agreement proposed by the City to the company includes a one-time \$40,000 relocation grant to be paid upon receiving an occupancy permit for a facility of at least 28,000 square feet in Dublin. The incentive is also contingent on execution of a seven-year lease. Front end cost associated with the move and tenant fit-up was the main variable determining the outcome of the company's decision. The City's flexible incentive program enabled staff to address the aforementioned factor. Based on the company's payroll projections, it is estimated that the City will net approximately \$1,729,611 in income tax withholding revenue over the term of this project (seven years).

Recommendation

Staff recommends Council approval of Ordinance 93-13 at the second reading/public hearing on December 9, 2013. Please contact Michael Clarey with any questions.

WHEREAS, the City and the Company have determined to enter into this Agreement to provide this incentive in order to induce the Company to lease a facility and retain its operations and workforce, all within the City;

NOW THEREFORE, the City and the Company covenant, agree and obligate themselves as follows:

Section 1. Company's Agreement to Lease a Facility and Retain Its Operations and Workforce Within the City. In consideration for the economic development incentive to be provided by the City herein, the Company agrees that it will lease a facility within the City for the retention of an office and associated operations and workforce within the City, all consistent with the terms of this Agreement. The Company expects to create one hundred sixty-four (164) new employee positions within the City by December 31, 2020. The average annual wage of these new employees is approximately Sixty-Two Thousand and 00/100 Dollars (\$62,000.00), with total estimated payroll withholdings of approximately Eight Hundred Ten Thousand Seven Hundred Ninety-Two and 00/100 Dollars (\$810,792.00) over the term of the Initial Lease Agreement (as

defined below). The Company also expects to retain one hundred twenty (120) existing employee positions within the City. The average annual wage of these existing employees is approximately Fifty-Seven Thousand and 00/100 Dollars (\$57,000.00), with total estimated payroll withholdings of approximately Nine Hundred Fifty-Eight Thousand Eight Hundred Nineteen and 00/100 Dollars (\$958,819.00) over the term of the Initial Lease Agreement (as defined below). The Company agrees that the City's obligation to remit the payment pursuant to Section 2 of this Agreement shall be contingent upon (a) the Company delivering to the City a fully executed copy of an agreement evidencing the Company's lease of a facility within the City for a period of at least seven (7) years (from _____, 201__ to _____, 201__) (the "*Initial Lease Agreement*"), (b) the Company having received an occupancy permit for the leased premises as described in the Initial Lease Agreement (the "*Certificate of Occupancy*"), the delivery of which, the City agrees to not unreasonably withhold, condition or delay and (c) such other conditions as are set forth in Section 2.

Section 2. City Agreement to Provide Incentive.

(a) General. In consideration for the Company's agreement to lease a facility within the City for the retention of an office and associated operations and workforce within the City, the City agrees to provide an economic development incentive to the Company in accordance with this Section.

(b) Location Incentive.

(i) Incentive Payment to the Company. The Company agrees to execute the Initial Lease Agreement for the retention of an office and associated operations and workforce within the City. In consideration of the Company's agreement to execute the Initial Lease Agreement and to retain that office and create new jobs and employment opportunities and preserve existing jobs and employment opportunities, all within the City, the City agrees to provide to the Company a location incentive (the "*Location Incentive*") in the amount of Forty Thousand and 00/100 Dollars (\$40,000.00), payable to the Company within thirty (30) days following the occurrence (to the City's reasonable satisfaction) of (A) the Company's execution of the Initial Lease Agreement and provision to the City of documentation in support thereof and (B) the issuance of the Certificate of Occupancy.

(ii) Forfeiture of Right to Receive Incentive Payment. The Company agrees and acknowledges that the Location Incentive provided for in subsection 2(b) is being made by the City to the Company in consideration for the Company's agreement to execute a lease within the City for the retention of an office and associated operations and workforce within the City and to create additional employment opportunities and retain existing employment opportunities, all within the City. The Company further agrees that if the requirements of subsection 2(b)(i) are not satisfied, the City shall not be obligated to remit the Location Incentive to the Company as required by this subsection 2(b).

(c) Method of Payment. The payment to be paid to the Company as provided in this Section 2 shall be made by the City to the Company by electronic funds transfer or by such other manner as is mutually agreed to by the City and the Company.

(d) City's Obligation to Make Payment Not Debt; Payment Limited to Non-Tax Revenues. Notwithstanding anything to the contrary herein, the obligation of the City pursuant to this Agreement shall not be a general obligation debt or bonded indebtedness, or a pledge of the general credit or taxes levied by the City, and the Company shall have no right to have excises or taxes levied by the City, the State or any other political subdivision of the State for the performance of any obligations of the City herein. Consistent with Section 13 of Article VIII, Ohio Constitution, any payment or advance required to be made by the City pursuant to this Section 2 shall be payable solely from the City's non-tax revenues. Further, since Ohio law limits the City to appropriating monies for such expenditures only on an annual basis, the obligation of the City to make the payment pursuant to this Section 2 shall be subject to annual appropriations by the City Council and certification by the Director of Finance of the City as to the availability of such non-tax revenues. For purpose of this Agreement, "nontax revenues" shall mean, all moneys of the City which are not moneys raised by taxation, to the extent available for such purposes, including, but not limited to the following: (i) grants from the United States of America and the State; (ii) payments in lieu of taxes now or hereafter authorized to be used for the purposes by State statute; (iii) fines and forfeitures which are deposited in the City's General Fund; (iv) fees deposited in the City's General Fund from properly imposed licenses and permits; (v) investment earnings on the City's General Fund and which are credited to the City's General Fund; (vi) investment earnings of other funds of the City that are credited to the City's General Fund; (vii) proceeds from the sale of assets which are deposited in the City's General Fund; (viii) rental income which is deposited in the City's General Fund; and (ix) gifts and donations.

In case such action is not taken or not diligently pursued, or the default or breach shall not be cured or remedied within a reasonable time, the aggrieved non-defaulting Party may institute such proceedings as may be necessary or desirable in its opinion to cure and remedy such default or breach, including, but not limited to, proceedings to compel specific performance by the defaulting Party.

(h) Executed Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to constitute an original, but all of which together shall constitute but one and the same instrument. It shall not be necessary in proving this Agreement to produce or account for more than one of those counterparts.

(i) Extent of Covenants; No Personal Liability. All covenants, obligations and agreements of the Parties contained in this Agreement shall be effective to the extent authorized and permitted by applicable law. (l) Limit on Liability. Notwithstanding any clause or provision of this Agreement to the contrary, in no event shall City or the Company be liable to each other for punitive, special, consequential, or indirect damages of any type and regardless of whether such damages are claimed under contract, tort (including negligence and strict liability) or any other theory of law.
